PHARMAKEIA Deception

Revelation chapter 18 gives a description of the fall of Babylon and in verse 23 it gives us the reason why all nations were deceived. This may be shocking for many people. Let's read what the Bible says. Referring to the fall of Babylon Revelation 18:23 says "And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived."

By the "sorceries" of Babylon all nations were deceived. The Greek word for "sorceries" in verse 23 is "pharmakeia" [far-mak-i'-ah]. According to the Thayer Greek Dictionary "pharmakeia" is "the use or administering of drugs; poisoning; and sorcery, magical arts, often found in connection with idolatry and fostered by it." If you put the original Greek word "pharmakeia" in place of the English word "sorceries" the end of verse 23 would say, "For by thy pharmakeia were ALL nations deceived"! "Pharmakeia" is where we get our English word "pharmacy"! Pharmacy is a well organized and professionalized system that administers poisonous drugs. The Bible reveals that Babylon will deceive all nations by the use of pharmacy that is in connection to "magical arts" and idolatry. "Magical arts" has its deep roots in witchcraft and the occultic world. We don't have to do a deep Bible study to know that Satan is directly behind the magical arts and God's people should have nothing to do with it. Professed deceived Christians today use "magical arts" under the disguise of contemplative prayer, "christian" humanism, and spiritual formation. In general those involved in sorcery, witchcraft, and magic are known to use "magic" potions to "heal", deceive, poison, control, or kill someone.

Pharmacy mainly uses a mixture of toxic chemicals, metals, and/or synthetic elements to produce "pharmaceuticals" that are designed to manipulate the biochemistry or metabolic functions of the body in an attempt to get a "desired" affect in the treatment of a disease or sickness. In other words, pharmacy mixes up different types of poison, package it, patent it, and claims that it can treat certain types of diseases. The main problem with that system is that poison is poison. Pharmaceutical drugs are poisonous. When poison is put into the body it has negative effects on the entire body system from head to toe. These are not just "side effects" or "unintended" sicknesses or diseases that a person suffers as a result of using a drug. These are "direct effects" because the reality is that drugs have direct effects on the entire body system including the brain. When you go back to Revelation 18:23, Jesus uses the Greek word "pharmakeia" to reveal to us the main thing that will be used to deceive ALL people in the last days is a well organized system of administering poisonous drugs to billions of people that are not only toxic to the organs of body, but have direct negative effects on the brain. Many of these drugs used for a variety of reasons are known to cause problems with memory, mood, and contribute to negative personality changes.

Who is the main one behind the system of pharmacy and the administering of poisonous drugs that Babylon uses to deceive all nations? A logo or symbol reveals the values and the purpose of a business, organization, or professional occupation. They use a logo or symbol as an identifying "mark" to the world. In other words, that logo makes a direct link to a business or occupation. When a person thinks of the "swoosh" they immediately think of the Nike corporation. The symbols and logos of modern medicine clearly reveal who is behind the scenes orchestrating the whole system of the administering of poisonous drugs that manipulate the bodies and minds of billions of people around the world. Let's just look at three recognizable symbols and unmask the truth!

Figure A: Bowl of Hygieia The symbol in Figure A is the international symbol for pharmacy known as the "Bowl of Hygieia." Who is Hygieia? Hygieia comes from Greek mythology. Mythology is the study of myths, or lies and pagan false gods. In other words, though it is not true, millions worship it as if it is true. Who is the father of lies? Satan. According to Greek pagan worship, Hygieia is the goddess of health and hygiene, the daughter of Aesculapius. He is the god of medicine, healing, and physicians.

Ettie Rosenberg, a doctor in pharmacology and attorney describes the meaning of the Bowl of Hygieia. She says, "The 'Bowl of Hygieia' symbol is the most widely recognized international symbol of pharmacy. In Greek mythology, Hygieia was the daughter and assistant of Aesculapius, the God of Medicine and Healing. Hygieia's classical symbol was a bowl containing a medicinal potion with the serpent of Wisdom (or guardianship) partaking it. This is the same serpent of Wisdom, which appears on the caduceus, the staff of Aesculapius, which is the symbol of medicine." - Ettie Rosenberg, Pharm.D., Esq.

Figure B is a picture of the statue of Hygieia. Notice the serpent drinking the magic potion from the "bowl of wisdom". In **Genesis 3:1-**

14, Satan, known as the serpent, used a serpent to deceive Eve. Verse 1 reveals that this serpent was "more subtil" meaning that it was thin or very light, not dense or gross, but smooth and refined in order to accomplish its deceptive purpose.

In verse 6, Eve believed the serpent's subtil lies. Thinking that she could become wise, Eve disobeyed God by eating from the tree that God said not to eat from. In verse 13 after eating the fruit from the forbidden tree, Eve acknowledged that the serpent deceived her. When a person is deceived, are they aware of it? According to Webster's dictionary to deceive means "to cause to believe what is false." So when people are deceived, they really believe the lie. Notice Satan used the serpent to deceive Eve so she would believe the lie. This serpent drinking from the "bowl of wisdom" is from Satan. **It represents the deceptive character of Satan that is still deceiving people today.** Should God's people have anything to do with this deception?

Figure B: "Hygieia"

Figure C: Rod of Aesculapius

Figure C is known as the staff of Aesculapius. His rod represents the healing aspects of the art of medicine. Many Christians think that this symbol is the same as the serpent of brass that Moses put on a pole, but it is not. The serpent on the rod of Aesculapius is a counterfeit to Moses' bronze serpent on the pole. This counterfeit symbol gives a false message that the serpent is wise and harmless.

Remember, the serpent on the rod of Aesculapius is the same serpent that is drinking from the Bowl of Hygieia. The message that the serpent of this Satanic symbol is also giving is that it is okay to take the poisonous "magic potent" from the bowl. These symbols that are used to represent the professions of pharmacy and medicine are giving a deceptive message from Satan that taking poisonous drugs are wise and has the power to heal and not kill. This is a lie! Those who submit to this poisonous counterfeit system will be swept away.

Figure D is a statue of Aesculapius with his rod wrapped with the "Snake of Wisdom". This "Snake of Wisdom" is seen throughout the symbolism of the modern medical profession. It is in the symbol of the American Medical Association, an association that set the standards for physicians and the medical profession in America. It is found in the middle of the logo of the World Health Organization. It is also found on the logos of medical schools, doctor offices, and many other medical organizations.

Figure D: Statue of Aesculapius

Figure E: Caduceus

The next symbol in Figure E really sums up who is really behind the poisonous drugging system of Babylon.

Figure E is another symbol recognized throughout the medical field, it is known as the “caduceus.” A caduceus has two serpents mating around a rod, topped by a pair of wings. The caduceus, also known as a magic wand, belongs to the Greek god Hermes or the Roman god Mercury. These gods are supposed to be the messengers of gods, inventors of magic, communicators to the “dead” and one who protects business and thieves (drblayne.com/Asclepius.html). Many in witchcraft and

sorcery still use the caduceus for magic and to cast spells. Also the caduceus in sorcery is known to “restrain and control” its victims.

In Greek mythology and the occultic world the caduceus had nothing to do with medicine, healing or health. So why has modern medicine adopted the caduceus as their symbol of medicine? Remember its original function and meaning. Who holds the caduceus? The false god of Mercury holds it. What is his claim? Inventor of magic, conductor of the dead, protector of merchants, thieves, and to restrain and control is his claim! Could it be that modern medicine has adopted the caduceus as their symbol of medicine and physicians to PROTECT the merchants of the earth that make billions of dollars poisoning people and to protect the corporate thieves and to control and restrain masses of people? This may shock you. Even though the caduceus had nothing to do with healing or medicine, an officer in the U.S. ARMY Medical Corps in 1902 insisted to adopt the caduceus as their symbol. Since then others in the medical profession began to adopt the caduceus as a symbol of medicine or physicians.

Let's lift the veil of what the caduceus really means. In the occultic world, Satan depicts himself as a goat known as Baphomet with two wings and a caduceus between his crossed legs! Yes, Baphomet has a caduceus between his legs. Look at the pictures in Figure F and compare. Here is the direct link between the poisonous practices of modern medicine through pharmakeia and Satan. Satan is behind this drugging system. A caduceus is actually an abbreviated version of Baphomet, Satan himself.

Figure F: Baphomet

Do you think Jesus is a part of this system? NO. Should true Christians be a part of this drugging system? No. This systematic poisoning is of Babylon and God's people need to get out. We need to learn nature's way of healing that God approves of through lifestyle and plant-based eating and herbs.

Did you know that the “father” of pharmacology was an occultist? He was a worshiper of Satan! Born as Philippus Aureolus Theophrastus Bombastus von

Hohenheim in 1493, he called himself Paracelsus. He was well known as a Swiss German physician, botanist, alchemist, astrologer, and general occultist. He founded the field of toxicology better known as pharmacy. For hundreds of years physicians used natural herbs and food for healing. Paracelsus defied this notion. From his studies on chemistry and metallurgy with the mix of occultic worship and astrology, he theorized that metals such as mercury, lead, tin, copper, and gold could “purify” the body. He believed that the stars and planets were the main cause of human illness and disease. He believed that ALL diseases should be treated with metals which are poisonous to the body. This was a very radical practice during his time. He treated many diseases with mercury better known as quicksilver. Many physicians who bought into Paracelsus method and used quicksilver (mercury), also known as Quack Salber, were known as “quacks”. This was a

very rebellious way of treating the body at the time (Jethro Kloss, *Back to Eden*, 2nd ed., pp. 52, 53). Many died as a result of Paracelsus way of treatment. At 50 or 51 years old the story is told that Paracelsus was thrown out the window by other physicians at the time who believed him to be very dangerous in 1541. It is amazing today that Paracelsus is known as the father of modern pharmacy! Where did he get his inspiration? Baphomet, Satan!

This system of Paracelsus is the foundation in which modern medicine is built. It has killed and poisoned millions of people. Pharmaceutical drugs never cure disease – they only try to manage it by inhibiting or manipulating a function in the body that is supposed to happen naturally. In a June 2010 report in the *Journal of General Internal Medicine*, authors said that in looking over records that spanned from 1976 to 2006 they found that out of 62 million death certificates, 25 million deaths were coded as having occurred in a hospital setting due to medication errors. The total number of deaths due to the American modern medical system of drugging, unnecessary surgeries, infections, medical errors, etc., is nearly 800,000 people per year! This is more than people who die from heart disease with over 600,000 deaths per year and cancer with over 500,000 deaths per year. - articles.mercola.com/sites/articles/archive/2003/11/26/death-by-medicine-part-one.aspx

This system of administering poisonous drugs worldwide is a trillion dollar industry and the medical merchants of the earth profit greatly from it. They love the money it produces and ignore the many lives it destroys. Millions worship the system as an idol.

Poisonous drugs are NOT a cure for disease. Many who prescribe and administer pharmaceutical drugs will admit it. If drugs cured disease, why are many who are being treated for diseases prescribed to take drugs until the day they die. This does not sound like a cure but a money making hoax.

“People need to be taught that drugs do not cure disease. It is true that they sometimes afford present relief, and the patient appears to recover as the result of their use; this is because nature has sufficient vital force to expel the poison and to correct the conditions that caused the disease. Health is recovered in spite of the drug. But in most cases the drug only changes the form and location of the disease. Often the effect of the poison seems to be overcome for a time, but the results remain in the system, and work great harm at some later period. By the use of poisonous drugs, many bring upon themselves lifelong illness, and many lives are lost that might be saved by the use of natural methods of healing.” - Ellen White, *Counsels on Health*, p. 89

What message does the Bible give for those in pharmakeia – the poison of Babylon? Galatians 5:20-21 says

20 Idolatry, witchcraft [pharmakeia], hatred, variance, emulations, wrath, strife, seditions, heresies, 21 Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.” The Greek word for “witchcraft” in verse 20 is pharmakeia. Those who are in this poisoning drugging business need to repent and turn away from it. If they do not repent they will not inherit the kingdom of God. This is confirmed in the book of Revelation. Revelation 21:8 says, “But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers [pharmakeus = druggist/poisoner], and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.” The Greek word for sorcerers in verse 8 is “pharmakeus” defined as a druggist or poisoner. This is repeated in the last chapter of the Bible. Revelation 22:14, 15 says, 14 “Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. 15 For without are dogs, and sorcerers [pharmakeus = druggist], and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.”

Pharmakeia is a part of Babylon. This is what the Bible predicts that Babylon would use to deceive all nations. You don't have to be deceived. There is no way to be a part of God's true people at the end of time and be connected with this system of administering poisonous drugs that manipulate and confuse the mind. This comes from Satan himself. You have seen the evidence. Babylon is

fallen, get out before it is too late. It is a broken and poisonous system, “GET OUT” is God’s earnest plea.
